

LONG TERM PAVEMENT PERFORMANCE PROGRAM DIRECTIVE

For The Technical Direction Of The LTPP Program

Program Area: MATERIALS

Directive Number: M-15

Date: 18 September 1997

Subject: Shipment of Materials to the FHWA Laboratory Materials Testing Contractor

This materials directive No. M-15 transmits revised instructions regarding the shipment of materials samples to the FHWA Laboratory Material Testing Contractor (LMTC).

From this point forward, all material samples designated to be tested by the LMTC shall be shipped to Braun Intertec in Minneapolis, MN. Samples and/or other pertinent information shall be shipped to the attention of Mr. Dave Clauson at the following addresses:

Mailing Address:

P.O. Box 39108

Minneapolis, MN 55439-0108

Shipping Address:

6801 Washington Ave. South

Minneapolis, MN 55439-0108

Mr. Clauson can be reached at 612-942-4836 and at facsimile number 612-941-4151.

Testing that is currently underway at Law Engineering and Environmental Services (LAW) facilities in Atlanta, GA will be completed (for those tests that have been approved by the COTR) and the results sent to the appropriate RCO. Samples that are currently in-place at LAW facilities and have not been tested will be transferred to Braun Intertec facilities in the near future for testing. The affected RCOs will be kept up-to-date on the status of the materials samples during this transition period.

Any questions regarding this directive should be submitted to the FHWA Pavement Performance Division.
